

# *Dossier of the Muses*

International Journal of Literary Studies of  
Govt. College for Women M. A. Road Srinagar

## **Editorial**

Dear Readers the second issue of *Dossier of the Muses* International Journal of Literary Studies is a continuation of the effort to make the present journal equally interesting, appealing and inspiring for the students, researchers as well as teachers. Every succeeding issue of *Dossier of the Muses* will hopefully serve as a mirror to reflect the earnest efforts of the editors as well as the contributors, with the sole objective of maintaining the continuity of creative and inspiring writing from the contributors. This issue features insightful research papers that delve into the diverse aspects of literature and its interpretation.

We would like to express our gratitude to the authors for their valuable contributions, as well as to the editorial team and reviewers for their hard work in bringing this issue to fruition.

We hope you enjoy reading this issue of *Dossier of the Muses*, and we look forward to your continued support and engagement with our journal. The papers offer insightful and thought-provoking perspectives on literature and its interpretation. We hope that these papers will stimulate further discussion and research in the field of literary studies, and we invite our readers to engage with these papers and share their thoughts and perspectives.

The title *Dossier of the Muses* becomes itself a syntagm of the process to keep every succeeding issue on a still higher pedestal of creativity and academic excellence. Needless to say it shall be sincere and highly involved process of the board of editors as well as contributors to invest every succeeding issue with a higher dose of academic and creative magnetism. The editors shall try their utmost to come up to expectations of readers be the Scholars, Academics and other representative from the Fraternity of Academia. We finally leave it to the readers as the judges to assess our sincere efforts to make the Journal evolve and eventually attain the heights of Mount Parnassus.
